

The State of Our Union

The leadership of United Faculty of Western Washington invites you to a forum on the state of our union.

**~ Wednesday, October 12 ~
4pm in Fraser Hall 4**

- This year we will be bargaining the successor contract to our first Collective Bargaining Agreement.
- We will also continue to work with the administration to support the mission of the University in a variety of ways, and to support the faculty's ability to continue to deliver on that mission.
- We hope that you will join the UFWW leadership to discuss these and other issues.

- Everyone Welcome -
